O R D E R

The Prohibition & Excise Department is a major regulatory Department. The Department regulates production, sale, transport and consumption of intoxicants including alcoholic preparations both for potable and non-potable purposes. Though revenue generation is incidental to the regulation of Excisable articles by way of various duties, taxes and fees incidental thereto and revenue collection is one of the major responsibility of the Department. The Department is responsible for administration of Distilleries, Breweries, Shops, Bars, In-house licences, R.S. & D.S., Ethanol units, Toddy Shops etc. In tune with the Constitutional obligations under Article 47, the Department undertakes awareness campaigns against the evils of consumption of alcoholic products. The Department has been conducting the wholesale and retail trade and distribution, import and export of IMFL (Indian Made Foreign Liquor) FL (Foreign Liquor) in the State through the APSBCL (Andhra Pradesh State Beverages Corporation Limited).

2. Whereas all the regulatory functions in connection with issue of licenses etc., and regulating wholesale and retail trade were discharged by the Prohibition and Excise Department. However, the major task of enforcement was handed over to Special Enforcement Bureau which was created as part of General Administration Department headed by Director General of Police (HoPF) as Ex-Officio Prl. Secretary to Government vide reference 1st read above.

(PTO)

3. Whereas, the intention of the Government is to overhaul the Excise Department and policies thereto in order to implement transparent Excise administration, ensure availability of standard quality liquor, adopt best practices, improve governance and increase efficiency.

4. Whereas, the restructuring during the period 2020-2024 has failed to achieve the desired objective hence it has become an imperative need to restructure the Prohibition and Excise Department.

5. Whereas, an internal Committee was constituted to evaluate the Departments' restructuring efforts from 2020 to 2024. The committee found that the 2020 restructuring was counter-productive and recommended for reverting to the structure existing prior to 2019 which had a single line of control.

6. Whereas, the Department has examined the Committee's report and compared the current structure with previous structure and also with the neighboring states' models. The analysis of the Committee's report had resulted in concluding that a single line of control, similar to the pre-2020 structure, is more effective. Therefore, the Director, Excise and Prohibition has submitted a proposal for restructuring of the Department in the reference 7th read above.

7. Whereas, the Government as per business rules has agreed with the department proposal and ordered to rescind all the Government orders leading to the formation and functioning of the Special Enforcement Bureau vide references 8th and 9th read above with a view to overhaul the Proh & Excise Department as a unified single authority to regulate and enforce the Proh & Excise Acts and Rules. All the officers and staff working in Special Enforcement Bureau have been relieved to report back to Prohibition and Excise Department vide reference 8th read above.

8. Government after careful examination of the matter hereby directs the Officers and Staff of Special Enforcement Bureau relieved as per the orders in the reference 8th read above shall report forthwith to their respective controlling officers thereof with immediate effect.

9. Government after careful examination of the restructuring proposals of the Director of Excise and Prohibition and in furtherance of Government orders issued vide reference 8th and 9th read above, Government hereby order the restructuring of the existing set-up as shown below and detailed in the Annexures- I to XV enclosed to this order.
